NEW LIBRARY INTERFACE

New Year, new website refresh! You'll notice that some components of the Library website will be changing in both appearance and functionality.

With the overall refresh, the Catalogue link will be replaced with institution specific search options for resources, some links will move to new pages, and video tutorials and visual guides will be updated to reflect new pathways.

The Library will be hosting drop-in sessions to guide you through the transition. See page 1 for dates and times.

TAKE IT HOME WITH YOU!

The Library has all the right ingredients for a fun, restful break. Borrow anything from kids books, puppets, DVDs, cook books, bartending books, to board games, audiobooks, and musical instruments!

The best part is that you can borrow any of these resources for free with your staff, faculty or student card. Come on by the Library and let us help you find some holiday fun!
